6th Asian Oceanian Parkinson's Disease and Movement Disorders Congress (AOPMC)

April 12-14, 2019 • Hangzhou

ABOUT THE AOPMC

The Asian and Oceanian Parkinson's Disease and Movement Disorders Congress (AOPMC) occurs approximately every two years as a forum to further develop the field of Movement Disorders in the region. The AOPMC previously has been held in Singapore - 2007; India - 2009; Taiwan - 2011; Thailand - 2014; and the Philippines - 2016.

The 12th International Symposium of the Asian and Pacific Parkinsonism Association (APPA) runs concurrently with the AOPMC. The APPA is a one-day event primarily for people living with Parkinson's disease and their caregivers. Sponsor opportunities to support this important patient meeting are found on page 8.

PRIMARY ORGANIZERS

The International Parkinson and Movement Disorder Society's Asian and Oceanian Section (MDS-AOS) is the host of the AOPMC. The Section strives to increase the interest, education and participation of neurologists, movement disorder specialists, non-movement disorder specialists, trainees, health professionals and scientists in the Asian and Oceanian Region.

PURPOSE

The purpose of the AOPMC is consistent with the objectives of the MDS-AOS, which include:

- Facilitate communication between clinicians and researchers in region
- Disseminate updated knowledge about Movement Disorders
- Improve quality of life and independence of Movement Disorders patients and caregivers
- Promote research and facilitate research collaborations in Movement Disorders
- Expose clinicians, researchers and healthcare professionals in the region to Movement Disorders initiatives and in so doing, encourage their membership in the MDS-AOS

TARGET AUDIENCE

The target audience of the 6th AOPMC is clinicians, researchers, and healthcare professionals from the region, including those who have not had the opportunity to attend an International Congress. Among these participants will be many key opinion leaders and movement disorders specialists from the Region. We anticipate 800 delegates from throughout the Region.

SCIENTIFIC PROGRAM

The scientific program covers the whole spectrum of Parkinson's disease and movement disorders from basic science to clinical practice and consists of symposia, plenary sessions, poster presentations and parallel sessions. Participants will be invited to submit abstracts relevant to the field of Movement Disorders.

GENERAL INFORMATION

Venue:	InterContinental Hangzhou
